

## Crawlers Newsletter February/March 2019

### WELCOME

The Crawlers room have been enjoying the improved weather getting outside more and exploring. We have had a Lamb to visit this month, the children loved watching the lamb run around the outside and even helped give it some milk from a bottle! We have been enjoying our forest schools walks and exploring the village especially the park.

We would like to welcome our new starters in the Crawlers room and at the same time it is lovely to see the children moving up to the Explorers, settling well and meeting new friends to play with.

Next month we have lots to look forward to, we are going to be doing lots of messy and sensory play. We are going to be doing World Book day where we have lots of exciting activities planned, look out for posters! We also have Comic Relief and Mother's Day where we have lots of fun activities planned.

Thank you, the Crawlers Team

### Forest Schools and Outdoor Learning

Hi All

This week we have had a very special visitor, a LAMB! We fed it too! We have also been doing lots of work on people and communities whilst out and about in the local community.

The children are thoroughly enjoying the outdoor learning experience and developing in all the areas of the curriculum. We are also busy over the next couple of weeks with the half term Forest Schools and will have fun making bird feeders and lots of keepsakes.

Thanks Becki - Outdoor Learning Leader

### Jigsaws Session Start and Finish Time Reminder

We have seen an increase in numbers of parents trying to drop off children before their session properly starts at Jigsaws on a morning. A reminder not to bring children in before 9am if that is their session start time. We have a duty of care to all of the children attending the setting and while staff are out taking children to school we do not have enough staff on the premises to look after children brought in before their session start time.

Also a reminder that children need to be collected from Jigsaws before you collect children from school as the afternoon session ends at 3pm.

Thank you.

## NO TOYS FROM HOME

We are unable to allow children to bring toys from home into the setting. This is causing distress to children who don't want to share their toys or toys becoming lost or broken.

Children will be able to bring in their usual comfort toy or blanket, but this will be kept in their bags until sleep time.

Thank you for your help with this.

## Home Learning Bags

We have home learning bags for you to loan for 50p with activities for you to do at home. These are in the front reception area. Please ask your room supervisor if you wish to use one.

You can choose from four bags:

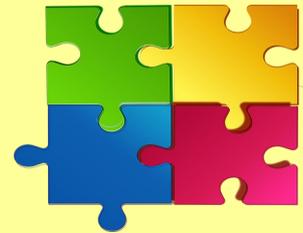

- Shape, size and pattern (Explorers and Discoverers)
- Numbers (Explorers and Discoverers)
- Reading and writing (Explorers and Discoverers)
- Heuristic Play (Crawlers and Explorers)

## Nut Allergies

Just a reminder that we have children in the setting with allergies so please make sure any snacks or lunches that are sent in are nut free.

The new Vegan Menu is available. Check the website for details <https://www.jigsawschildcare.co.uk/home-made-meals/>

ParentZone is an award winning smartphone app for parents. Parents can access information about their child's day at Jigsaws Childcare at a time that suits them best. ParentZone promotes the partnership between parents and Jigsaws to provide two way communications.
