Welcome

Hello it is lovely to see you

Please be kind to our staff and all your friends, we are making sure you are safe, so things might take a little longer than usual

- 
- We ask that only one adult accompanies their child onto the site
 - Parents, carers, staff, visitors and children must not enter the setting if they are displaying any symptoms of Coronavirus.
 - If you have a pushchair, buggies, ride on, car seats or bikes please leave in the buggy park and do not bring inside.
 - Please follow the arrows to your room, leave two meters from other parents and staff when dropping off and collecting.
 - Please wait at the bottom of the ramp to your room.
 - A member of staff will tell you when you can enter the room.
 - We love to hear how you are feeling today, it is important to make you feel settled if this could be as brief as possible to reduce contact between staff & families.
 - At collection time we would like to give information on how you have been at Jigsaws. Again this will be limited to reduce direct contact. All your details will be on Parent Zone for the day.
 - If we have any concerns about your health we will call your parents/carers as we normally do and chat about what to do next. Make sure your contact details are up to date.
 - Please use our hand wash gel on entering and leaving.
