

Adventurers Newsletter February/March 2021

WELCOME

Hi all,

Although we had a lot of fun when the snow came, we have been taking advantage of the better weather and playing outside a lot more. We have really enjoyed lots of

outdoor games such as tig, hide and seek and ball games.

Inside we have been getting creative and building with Lego. We have also been doing plenty of quizzes for the children and they have been quite competitive!

We have enjoyed having lots of conversations with each other, talking about all the interesting things we have been doing over half term.

We hope to be able to continue to play lots outside as there are signs of Spring and the weather is improving.

Thanks, the Adventurers Team

Mobile Phones and Tablets

Children are not allowed their own mobile phones or tablets in Jigsaws on a normal school day. This is due to safeguarding issues relating to photographs and viewing inappropriate content. If your child needs to take a phone with them to school, this should be handed in to a member of staff for safe-keeping until school start time or collecting. If you need to speak to your child or they need to speak to you, please use the Jigsaws landline 01937 558951. Tablets and handheld games are permitted in holiday club but will be closely supervised. This is for the safety of your child and other children.

Healthy Eating

As part of our requirements for Ofsted and duty of care to your children, Jigsaws is a healthy eating setting. In order to promote this, the children are taught about the positive effects of exercise and are offered healthy snacks to help children to understand healthy eating. We need your help to support this so if you bring a snack for your child, please can you ensure that it is a piece of fruit or a yoghurt. Biscuits and fruit shoots will only be offered as part of the lunchtime pack up. Thank you for your help with this.

Please see the following fact sheet for ideas on healthy packed lunches:

Nut Allergies

A reminder please to check labels of the food we are sending into Jigsaws to make sure it is nut free. We have children with serious nut allergies in our setting.

E-Safety Policy

Due to safeguarding, mobile phones are not allowed to be used whilst on the premises of Jigsaws, we thank you for your cooperation.

Are you looking for support with childcare costs?

Childcare Choices brings together all the government childcare offers in one place for the first time. The new Childcare Choices website makes it easy to find out what's on offer.

Use the Childcare Calculator at www.gov.uk/childcare-calculator to see what offers are available to support you and your family.

To find out more about the new and existing offers, and how they can help you, go to the Childcare Choices website today at www.childcarechoices.gov.uk

NHS test and trace is now available to download as an app onto your smart phone. We are supporting the app by having NHS QR codes available so you can check in at Jigsaws.
