

Adventurers Newsletter May / June 2022

WELCOME

Hi all,

We have had a busy and exciting month in the Adventurers' room. This month the children have really enjoyed taking care of Taffy the tadpole and watching it grow, we have also recently got some chicken eggs and over the next few weeks they will watch them hatch from an egg to a chick. The eggs are currently keeping warm in the incubator.

The children have really enjoyed playing outside taking in part in lots of different team games and sports days, they worked together and cheered each other on.

The end of this month the children have been talking about the Queens Jubilee, we have done some brilliant celebrating with some fantastic crafts. We have also dressed up in

red, white and blue and then finished it off with a Jubilee party on the 1st June.

In June it is Child Safety Week, the children will be looking at different people that keep us safe, making some crafts and we are hopefully trying to arrange a visit from the fire or police service.

Thanks, the Adventurers Team

<https://www.nspcc.org.uk/>

New Contract Forms

New contracts for September 2022 to August 2023 will be sent out early July together with details of our new pricing structure, once approved by our Directors.

Jigsaws Curriculum

Each month we will share an activity we have done at Jigsaws which focuses on a different part of our curriculum. The part of the curriculum that we focused on last month was becoming a “Community Champion: To understand the wealth of diversity in our local community, and that we can all make a difference to care for our environment.”

Through our Forest School sessions in May, the children have been learning about life cycles and understanding the natural world and how to care for our environment. Fantastic learning!

Mobile Phones and Tablets

Children are not allowed their own mobile phones or tablets in Jigsaws on a normal school day. This is due to safeguarding issues relating to photographs and viewing inappropriate content. If your child needs to take a phone with them to school, this should be handed in to a member of staff for safekeeping until school start time or collecting. If you need to speak to your child or they need to speak to you, please use the Jigsaws landline 01937 558951. Tablets and handheld games are permitted in holiday club but will be closely supervised. This is for the safety of your child and other children.

Are you looking for support with childcare costs?

Childcare Choices brings together all the government childcare offers in one place for the first time. The new Childcare Choices website makes it easy to find out what's on offer.

Use the Childcare Calculator at www.gov.uk/childcare-calculator to see what offers are available to support you and your family.

To find out more about the new and existing offers, and how they can help you, go to the Childcare Choices website today at www.childcarechoices.gov.uk
